

OBSVCA Academic All-Ohio Awards

The OBSVCA established the Academic All-Ohio Awards for individuals and for teams during the 2009 boy's volleyball season. To qualify, an individual must have earned at least a 3.5 on a 4-point scale. Teams that achieve the award must average at least a 3.5 including all members of their varsity team. Coaches submit the GPAs that are verified by the teams' schools for all of those athletes and teams during the early portion of the season and the award recipients are honored prior to the state finals.

The 2010 class of Academic All-Ohio Awards winners are:
