

Ohio High School Boys' Volleyball Association

Providing leadership and governance for high school boys volleyball since 2001

2008 Membership form/invoice

The Ohio High School Boys Volleyball Association (OHSBVA) is accepting memberships for the 2008 season. Dues to join are \$75 per year.

This will be an exciting seventh year for the OHSBVA, which was created by a vote of the athletic directors and principals of schools sponsoring boys' volleyball teams in Ohio. We follow the rules established for volleyball by the Ohio High School Athletic Association, unless there are changes made by a referendum vote of a majority of members.

The purpose of the OHSBVA is to provide leadership and governance for high school boys' volleyball until the Ohio High School Athletic Association sanctions the sport.

To join the OHSBVA, a school must register a boys volleyball team with OHSAA. Once registered, a school that sponsors an active boys volleyball team and competes in the state tournament shall have one vote on all referendum issues. Ballots will be sent to principals. The membership year is July 1 to June 30.

Information on OHSBVA Executive Board meetings, rules interpretation meetings, seeding meetings, and the district, regional and state tournaments will be coming.

To join, please send a \$75 check or purchase order with enclosed form to:

Please note: The OHSBVA IS affiliated with the Ohio Boys Scholastic Volleyball Coaches Association, the organization created specifically for high school boys volleyball coaches.
